

“JUMANJI” Sequel Set for Release in 2017

The long anticipated sequel of “Jumanji” has been pushed back and is planned for release on Christmas 2017. Initially the film was scheduled for release July 28, 2017, and will now bow on December 22, 2017. The movie will include stars Dwayne Johnson, Kevin Hart,

Jack Black and Karen Gillan. Directed by Jake Kasdan, the film will revolve around explorers who go looking for the humankind game that ended up in a mystic jungle. The original film included numerous stars such as “Spider Man” actress Kirsten Dunst and the

late veteran Robin Williams. The story revolved around a magical board game that released a man trapped for decades in it and a host of dangers that can only be stopped by ending the game.

Sonu Sood Starrer “Xuanzang” Picked for Oscars

Actor Sonu Sood recently made his Chinese film debut with “Xuanzang”, which has been named China’s official pick for the 89th Academy Awards. The actor, who was recently busy shooting at the Daulatabad Fort in Aurangabad for the Chinese film, played King Harshavardhan. The film also included Bollywood actresses Neha Sharma and Mandana Karimi. “Xuanzang” took over the artistic film

“Crosscurrent” to secure an Oscar entry. The actor is already doing another Chinese film, which is in its post-production phase, titled “Kung-Fu Yoga” alongside one of the most popular actors in the world, Jackie Chan. He was last seen in the 2014 hit film “Happy New Year”, alongside Shah Rukh Khan.

Suniel Shetty's son Ahan to Make his Debut

Actor Suniel Shetty's son Ahan is ready to make his Bollywood debut next year in a film produced by Sajid Nadiadwala, who is known for his larger-than-life films and high production budgets. The script of the movie will be an action romance flick, and Nadiadwala is already in search for a director. The to-be debutant Ahan, studied acting and filmmaking in the US, and is currently working hard in the gym to maintain a good physique, as well as taking dancing and diction classes. He has already finished doing a photoshoot for the film, which is slated for release in the upcoming year.
