Fantastic Beasts and Where to Find Them

The year is 1926, and Newt Scamander (Eddie Redmayne) has just finished a global excursion to find and document an astonishing array of magical creatures. Arriving in New York for a brief stopover, he might have come and gone without incident, were it not for a No-Maj (American for Muggle) named Jacob, a misplaced magical case, and the escape of some of Newt's fantastic beasts, which could spell trouble for both the wizarding and No-Maj worlds.

The film is slated for the U.S. release on November 18, 2016.

CLASSIC CHUCKLES

MR. BEAN (1990 - 1995)

Mr. Bean is a British sitcom created by Rowan Atkinson and Richard Curtis. The show follows the adventure of the unusual man, Mr. Bean, who is faced with various everyday tasks and often has to deal with unfortunate situations in his own unique ways.

The character is described by the actor himself, Rowan Atkinson, as "a child in a grown man's body", which sums up the true essence of the show.

While the show was at its five-year run, it became an important part of the British popular culture in 1990s. It bagged multiple awards throughout its run that includes the Rose d'Or.

The show is very similar to early silent films, relying mostly upon physical comedy, with the main

character speaking little or no dialogue at all. The main character of the show, Mr. Bean, played by Rowan Atkinson, is a childish grown-up who lives alone and is almost seen in his trademark tweed jacket and red tie. What makes this character stand out is its ability to take care of problems without uttering a single word, and his comical views towards everything. The main humor of the show derives from Bean's absurd solutions to problems and

his complete disregard for others when solving them.

There have been many spin-offs to the series that includes an animated series and several movie adaptations. This is a show that has attracted the mass unlike any other comedy series. A must-watch series for people of all ages, especially for kids who have a hard time laughing!
