

WELCOMING THE HARVEST

NABANNA, the festival of harvest, is celebrated by the rural people across the country. This traditional festival has caught on in the cities now. Nabanna Utsab 1423 was organised a few days ago at the Institute of Fine Arts of Dhaka University, where children performed dances and sang welcoming the new harvest and a time of plenty. Traditional delicacies like several kinds of pitha and food items were on sale and so were locally made traditional toys. This year Finance Minister AMA Muhith inaugurated the festivities in Dhaka.
