## Limelight on Zoan Ash

Zoan Ash is under the international limelight - from appearing at the Emmy's, to coming up in an international newspaper, to dressing the charming Vanessa Curry of the Pussy Cat Dolls. Vanessa flaunted these wonderful dresses designed by Asma Sultana.

The brand was initially invited to exhibit at the pre-Emmy's gifting lounge earlier this year and was also featured on California Apparel News following their debut fashion show at Los Angeles. No wonder Asma Sultana had been asked to design four exclusive dresses for Rihanna.
