

HRITHIK ROSHAN

Ranked No.3 on World's Most Handsome Faces list

Bollywood actor Hrithik Roshan recently made it on the list of World's Most Handsome Faces put out by a leading international website. Right behind Tom Cruise and Robert Pattinson, Hrithik came third on the list, beating notable celebrities that include the likes of Johnny Depp and Brad Pitt, who are at number four and number eight respectively. The actor mentioned that he is humbled with the praise, but what he would really want out of his quest

is to put a smile on the face of people around him. Other celebrities include Hugh Jackman in the ninth position, and Bollywood's Salman Khan in the seventh position.

The actor was last seen in Ashutosh Gowariker's "Mohenjo Daro" and will be seen in the upcoming film by Rohan Bhatnagar "Kaabil", which is scheduled for release next year.

RUSSELL PETERS JOINS "PUBLIC SCHOOLED"

Comedian Russell Peters joins the coming-of-age comedy "Public Schooled" that also includes stars Grace Park and Judy Greer. Daniel Doheny will be playing the role of "Liam", in a story of a socially awkward young boy who has been home-schooled his entire life. Park plays the role of Greer's best friend in the film. The script has been co-written by Kyle Rideout and Josh Epstein, while Rideout will be directing the movie.

Peters is popular for his stand-up comedy acts, who previously played a cameo in Jon Favreau's "Chef" and pro-

vided his voice for "The Jungle Book". He is also starring in "Russell Peters Is the Indian Detective".

CELINA JADE

Joins "Wolf Warriors 2"

Celina Jade will be starring in her upcoming film "Wolf Warriors 2". She joins actor-producer-director Jacky Wu in the cast that includes Captain America's "Crossbones" Frank Grillo and Zhang Han. The sequel will revolve around Leng Feng, a former national martial-arts champion, reprising his character as a special forces man who leads an entire squad on national duty. The scenes

have been shot in a fictional war-torn country in Africa. The first film, which was a feature-length spin-off from a TV series, was released in April last year. The actress is popular for her role as "Shado" in the hit TV series "Arrow". Her upcoming film includes "April Flowers", which is scheduled for release in 2017.
