EVERYWAY

Bolder looks go for stripes and zigzag all the way through. Major global brands like Salvatore Ferragamo happen to follow this trend religiously.

A typical runway for stripes would be promoting them in every style and form you can possibly imagine. Popular designer Mehruza Munir of Zurhem had a few suggestions for those who want to put on the striped look.

As Mehruza sees it, horizontal stripes make a person look 'wider'. So if any one of you ladies on the skinnier side had polka dots in mind for that ladies' brunch, ditch it and go for a horizontal sundress instead.
