"Aquaman" to be Released in 2018

The long-awaited film "Aquaman" is set to be released on October 5, 2018. Jason Momoa will play the lead in this standalone film, which is directed by James Wan and produced by Peter Safran. Amber Heard will play the love interest of Aquaman as Mera. The movie will start shooting in Australia next year. The film will have Aquaman caught between a surface world constantly ravaging the sea and the undersea Atlanteans, who are

ready to lash out in revolt. Based on the DC Comics character, Aquaman is born half-human as Arthur Curry and half-Atlantean and is also the king of Atlantis. The actor made his debut as Aquaman in this year's blockbuster "Batman v Superman: Dawn of Justice" in a cameo, and will reprise his role in the upcoming "Justice League".
