

IT'S NOW THE "FOURTH HARMONY"

It was rumoured that Camila Cabello would be the first one to leave the band Fifth harmony. Alas, the rumour came true today as the band officially announced this on Twitter. After this news her name has become a top trending in social media. It is a very shocking news for the Fifth harmony fans as the year ends. The exit of Camila Cabello is being compared to the one of Zayn Malik from One Direction. Now the question is, will the band still be known as "Fifth Harmony" or will it switch to "Fourth Harmony"?

FIFTY SHADES DARKER IS MORE POPULAR THAN STAR WARS

The sequel of E.L. James's Fifty shades of grey seems to interest audience more than the science fiction. Fifty Shades darker received more views on the internet compared to Star Wars: Rogue One. They are two of the most awaited movies for the year 2017. This time the movie is slightly more emphasized on suspense and mystery rather

than eroticism. Dakota Johnson and Jamie Dornan were once again paired to each other as Anastasia and Christian Grey in the movie. However, Kim Basinger is on board with them too with a surprise package for the Fifty Shades fans.

THE NEW SPIDER-MAN

Tom Holland is the new kid on the block as Spider-man. Previously, the role of Spider-man was being played by Tobey Maguire and Andrew Garfield. This time the movie is slightly different than the previous ones as Peter Parker directly intermingles with Tony Stark, who advises Peter parker about his do's and don'ts of being a superhero. The franchise is being revived for the 57th time by Marvel. The poster look sremarkable with a new face of Spider-man and the movie's plot seems to be different than the previous ones.
