

COVER STORY

Pile it on against WINTER CHILLS

One of the best parts we love about winter is being able to finally bring out all our coats and turtlenecks and start layering 'em up! With the winds chilling our bones and day-long snuggles all so tempting, nothing gets more comfortable than putting on a hundred soft layers before heading out. When we say layers, we do not necessarily mean layers of chunky sweaters, but simply layers of your everyday wardrobe transformed into their winter edition with the help of a few additional pieces.

Dove
HAIR THERAPY

Wear beautiful open hair every day

Dove Conditioner now at Taka 4 only.

Hair looks beautiful after shampooing, doesn't it? But then, it keeps getting frizzier with each passing day, leaving you with no option but to tie it up. Instead, treat your hair to Dove conditioner after shampooing. Infused with the nourishing care of ¼ Moisturising Cream and Keratin Actives, it reduces frizz, making your hair softer and up to 10X smoother#. So now don't let frizz tie your hair up. Wear smooth, open hair every day; nourish it with Dove Conditioner.
