

STAR SIGNS FOR THE STARS

ARIES

Bipasha Hayat

March 23

Material- Fire

Lucky numbers- 5 and 9

At the start of 2017, Bipasha's professional life will be a bit slow. However, this will only be for the first four days. Then she can start to achieve her targets for the year 2017.

September will be a very busy time for her. This month will be able to help her get a balance in both her personal and professional life.

She will meet many of her friends and acquaintances in the month of October, November and December. She will get to see these old relationships from a new aspect.

Overall, 2017 will be a good year for her. She will realize that some of the things she worried about are not as scary as they appear to be.

TAURUS

Mostofa Sarowar Farooqi

May 2

Material- Soil

Lucky numbers- 2, 7 and 9

In the month of May, people will rediscover him in new ways.

June and July will be very good for his creative side. He might start new projects in these months.

He will overcome many barriers he had been facing for a long time and taste the fruits of his hard work of the last few years in the month of August.

September will be the month of relaxation for him. He will spend it with his family and friends. He might also meet people he doesn't get an opportunity to meet frequently.

In October, he will get to complete his work beautifully. People will appreciate his work more.

November and December will be the most important months for him where the result of his previous work will be seen. He will also find the solution of other problems he might be facing.

GEMINI

Chanchal Chowdhury

June 1

Material- Air

Lucky numbers- 1 and 3

2016 was a very good year for him because of Aynabaji. This year might also bring a lot more success for him. He will get opportunities that will only help to achieve a lot more.

February will bring the success of his previous works whereas in April he might feel a little lazy and thus spend some time away from the media.

He will again become very busy in June and July. During this time, he will be very hard to reach for most people. October will be a very serious month for him.

November will be a lot like October for him. It will be very serious and he will eventually find the solutions of the problems he will face during these two months in December.

CANCER

Joya Ahsan

July 1

Material- Water

Lucky numbers- 1 and 3

During this entire year, there will be an influence of Saturn on her star sign.

Therefore, she will experience the positive influence of it throughout the year. She might suffer from indecision a bit in the beginning of the year. However, throughout the entire

year, her fate will encourage her to do new work. Therefore she might achieve success both in the fields of modeling and acting.

She might feel a bit lazy in March. However, due to her ever preparedness, she will be able to tackle it with ease.

February, July and August will be good for her in terms of financial success. Therefore, she is likely to face professional success as well.

LEO

Porshi

July 30

Material- fire

Lucky numbers- 1 and 3

2017 will be an effective year in terms of career for her. However, she is advised to not any major decisions in this year. In March and April, she should busy herself with long projects. She might also get the result of work she had done long ago. During August, she might face a bit of slowness in her work but that will be temporary.

September and October will be a very good time for her career. Towards the end of the year, she might be more focused on her personal life.

LIBRA

Sarika Sabrin

September 23

Material- Air

Lucky numbers- 5 and 9

Sarika will again be a common household name in 2017. We

can expect to see her a lot both in acting and modeling. From the beginning of the year, due to the influence of Mars, she will be very motivated and concentrated on her work. She will definitely take on new projects in February.

She may face some difficulties in April but she will be able to overcome the difficulties if she starts following a strict time table. From June onwards, she might start planning long term projects, set up new targets and she might also achieve a lot of success from these.
