

**VIRGO**

**A. T. M Shamsuzaman**

*September 10*

*Material- Soil*

*Lucky Numbers- 1 and 3*

The month of April and May will be very lucky for him. He might win awards as well. He might take up projects that will again set new standards for Bangla movies. The influence of Jupiter on his star sign will be present from the beginning of the year until mid- October. Whatever new projects he takes on, he will be successful at them.

All in all, everything will go really well for him until the end of December.

**SCORPIO**

**Pori Moni**

*October 24*

*Material- Water*

*Lucky numbers- 4 and 6*

2017 will be a successful year for Pori Moni like the last few years have been. Saturn is likely to have influence on her start sign all throughout the year. Therefore, she will be getting offers for projects all throughout the year. However, she should definitely give a lot of thought before taking on new projects. She might face some financial constraints at the end the of the year. Therefore, she should focus on making proper budgets throughout the year. For her, February will be the luckiest month of the year.

**SAGITTARIUS**

**Niloy**

*December 14*

*Material- Fire*

*Lucky numbers- 5 and 9*

The beginning of the year might be a little slow for him but he will return to his usual track very quickly. The influence of Mars will make him very busy in March. If he doesn't hurry too much, he is likely to achieve success in all the projects. April might not be a very good month for him and so might not August. Therefore, he should take decisions more carefully in these two months. December will be a very good month for him. All his trouble and stress will be gone by the arrival of December.

**AQUARIUS**

**Bappa Mazumder**

*February 5*

*Material- Air*

*Lucky number- 5 and 9*

Neptune is likely to influence his finances this year. January will be a very good year for starting work on a new album. He will get a lot of opportunities this month and he if uses them properly, he is likely to face a lot of success. In January, he will spend a lot of time with his family too.

In February, he might get an opportunity to start working on another new project. June and July will also be very good to start new projects. He might face some difficulties in August. But all in all 2017 will be a very good year for him.

**CAPRICORN**

**Rezwana Choudhury Bannya**

*January 13*

*Material- Soil*

*Lucky numbers- 4 and 6*

From the beginning of the year, Jupiter will have an influence on her professional life until the end of October. Thus, throughout most of the year she will be having success in most of her work. She might also win an award. April and May might bring a lot of luck in different aspects of her life. All her ongoing projects are likely to be successful. She might face some difficulties in August so during this time she should take decisions more carefully.

**PISCES**

**Shakila Zafar**

*February 28*

*Material- Water*

*Lucky numbers- 1 and 3*

She is likely to be very successful in 2017 as she has been throughout her career. Saturn is likely to have an influence on her star sign throughout the year until December. She is therefore, likely to achieve success during the entire year. She will also see the result of many of her previous projects. She might get an award too. Due to the influence of Uranus, planning for the future will be lucky during this year.

She is likely to travel in February. If she doesn't take any major decisions in March and August, she is likely to have a really good year.
