Date: Jan 17- Jan 24

Time: Daylong

Venue: La Galerie, Alliance Française de Dhaka

'Cartoon,' Dr Sajid Bin Doza Bonny believes, 'is an authentic medium to deliver the real essence of humour.' Having visited many parts of Bangladesh and by immersing himself in different social structures, Bonny was able to identify that life is sometimes convergent in nature even when the culture and its underlying contexts are different to each other; but life is simple and people try to keep their lives cheerful if possible. Bonny's cartoons are sourced from this simplicity.

This exhibition is not to be missed by

anyone with a funny bone, or someone with a knack for satire.
