BIPASHA HAYAT'S ART EXHIBITION IN ROME

Bipasha Hayat's 6th solo art exhibition started on 14th January, 2017. The 10-day long exhibition "Mindscape" is being held in Rome, and is being visited by many renowned artists, photographers and critics. They have been said to talk to Bipasha for an extended period of time about her work and have admired her work enthusiastically. The exhibition flaunts 50 of Bipasha's finest work, which include acrylics, drawings and cardboard acrylics. Italy's premier art magazine "ARTE", along with other leading Italian newspapers, has extensively covered the exhibition.
