## Sajjad brings style with "ALTITUDE"

With the rapid increase of fashion wear for women's attire and different makeup brands, the men are not falling behind either. Just around the D block in Banani, a fashion wear has been very popular among men. Mohammad Sajjad Hossain has opened his fashion house and it is a room full of everything that is trending.

The store features trendy jackets, sweaters, pants, slides and whatnot. It is everything a man would want to find in one place. Brands like H&M, Guess and bags from Jansport, Vans are all available here. All kinds and varieties of footwear are available as well.

Keeping the day to day fashion for men in mind, Sajjad has also introduced shades and wristwatches from various brands. Altitude has funky luggage tags and mobile covers in store that are extremely eye-catching.
