The High Court yesterday stayed the construction of a dumping station near the runway of Hazrat Shahjalal International Airport in the capital for three months.

After hearing a writ petition filed by Advocate Rana Kawsar, a Supreme Court lawyer, it also issued a rule asking the authorities concerned to explain in four weeks why the construction of the dumping station should not be declared illegal.

He submitted the petition yesterday following a report published in a national daily saying that take-off and landing of flights are at risk due to construction of the dumping station near the runway.
