FREE SKIN CONSULTATION AND LAUNCH OF POND'S NEW PIMPLE CLEAR

You can call Unilever Careline and set up a free consultation with a dermatologist in order to get solutions for your skin problems!

Pond's has also unlocked an anti-pimple breakthrough with new Pond's Pimple Clear, developed by The Pond's Institute.

The launch event for this new product from Pond's was held on 29 January at Bay's Galleria. Renowned local dermatologists Dr. Parvin Sultana, Dr. Md. Salah Uddin, Dr. Md. Shah Ataur Rahman, Dr. Sanchita Barman

and Dr. Rokhsana Khanam attended the event and discussed how the youth nowadays are facing a slew of modern-day skin stressors such as urbanisation, changing diets, pollution and increased societal pressure, which greatly impact their experience of pimples. The event was also attended by well-known bloggers and winners of the Pond's Pimple Clear Contest on Facebook.
