Ora's
jewellery

Radium Mardia is a lawyer and a traveller at heart. Her travels feed into her imagination, innovation and passion. "Through my travels I had come in contact with various cultures. And in my travels, jewellery is one of the things which always intrigues me," Mardia, the Creative Director of Ora, said.

On 10 February, 2017 at Bay's Edgewater, Ora inaugurated their 'Fashion Jewelry Premiere Event', which ran till February 12. The event displayed a rich and exotic collection from many different parts of the world. From Turkish designs to European treasures, the exhibition indeed featured a plethora of unique jewellery items. The

items came with various price tags, catering to a wide range of budgets.

Although the event is over, you can check out their jewellery collection at www.facebook.com/onlyora
