CHECK IT OUT

Vibes healthcare now at Uttara

VIBES - a renowned and trusted chain of high-end weight management, beauty and laser clinics is a part of the Alankar Group, India. Under the leadership of Lathaa Jain, Chairperson, VIBES commenced its business operations in 1996, with its first centre at New Delhi. The brand was launched by actress and model, Dia Mirza, in 2005 and it now has 27 clinics spread across India and Bangladesh, delivering world class services, from Weight Loss Solutions, Skin and Hair Treatments, Laser Hair Reduction, and Salon for Men and Women.

The first international clinic was opened in Dhanmondi in 2015. The tremendous and overwhelming response with the enrolment of more than 1000 clients for weight loss and dermatological treatments, led VIBES to open its second clinic within a short period of three months at Gulshan, Pink City Mart, Dhaka. Now with 5000 more successful clients in the last 12 months, VIBES is looking forward to serve in Uttara.

During its journey, VIBES has emerged as a leader in introducing latest world class technology and advanced treatments in India in its state of the art centres with luxurious interiors. This newly opened clinic at Uttara is spread over more than 3500 sq. ft. of space that has been developed with European standards and luxurious interiors.

National Award winning singer Fahmida Nabi along with Emon and Sarika graced the occasion and cut the inaugural ribbon of Uttara branch.

The new clinic offers myriad services like Advanced Weight Management and Inch Loss Procedures, sophisticated Slimming Treatments, superior quality Laser Hair Reduction, and Advanced Dermatological Treatments for Hair Regrowth and Skin

Rejuvenation. An ISO certified company, VIBES derives its strength from a team of over 750 qualified, trained and experienced professionals with a panel of over 100 dieticians and doctors who consistently deliver excellent results.

VIBES regularly organises free health and nutrition camps, workshops and seminars to further its vision of establishing a healthy and prosperous society. What's more, the consultation and pre- tests for all advanced treatments stand free.

Currently, Dr Vijayeta Jairath, a leading dermatologist and Senior Consultant with VIBES in India is visiting Bangladesh. Please walk-in for a free consultation until 22 February at Vibes Healthcare Pvt. Ltd, Level 5, Pink City, Gulshan.

For appointments call 0197 097 0009 or visit their website vibes.com.bd

Zurhem's Spring 2017

Over the past year, Zurhem has taken the Bangladeshi fashion scene by storm. On the 17 February, they strengthened the hold with their first ever solo fashion show for Spring and Summer 2017 at Lakeshore.

The show started off with the company's chairman, Saadat Chowdhury gracing the stage and introducing the men's Spring/Summer Collections.

With the first model walking down the ramp, one could see the thought and effort that was put together in giving shape to those mindboggling outfits. Mehruz Munir kept in mind the new trend of 2017 - comfort and style.

Colours of spring such as green, brown and beige merged in with breathable fabrics such as linen and cotton to blend in with the season. Many of the outfits took up a relaxed look, of which one of

them was a linen suit comprising trousers with wider hems and brown sneakers to splash in some contrast.

Moreover, an attention grabbing jump-suit went down the 'To Have List' of most men. The merger of a bomber and double breasted jacket caught the attention of many, while a classic summer tuxedo

instantly became the favourite of all the to-be-wed grooms in the hall.

The show stopper was a surprise introduction of women's wear. Elegant, chic and innovative would best describe the clothing collection of women. Neatly tailored to perfection, some of the outfits were renditions of the men's collection displayed earlier; there was a classic all black suit and a gold suit with a black belt, which seemed to be inspired from their Mahrajan Collection, came off as if made of shimmery material. Not only were there suits for women but there were also dresses like one stunning black frilled attire.

The show was grand, highlighting the very essence of the upcoming season and addressing what we should opt for this time around.

Urban Study Group organises human chain

Urban Study Group had held a human chain on 7 February, 2017 to protest demolition of a building in Shayesta Khan Road. The building (Holding # 16), which has significant heritage value, is also located in the buffer zone of Lalbagh Fort; and according to the law, tearing

down buildings located in the buffer zone of heritage sites is illegal. The human chain involved members and volunteers of the organisation.

Urban Study Group's demands also included action against those involved in illegal demolition of heritage establish-

ments, listing down all of Dhaka's heritage sites, and providing proper compensation to private property owners of relevant sites. The human chain tried to raise awareness among the stakeholders such as government and the general population.

IDLC supports Badal Miah's Family

Badal Miah, a railway staffer of Bangladesh Railway, saved a little girl's life from a train accident on 27 January 2017. While saving the girl's life, Badal Miah lost his own. Not everyday do we find people who are willing to sacrifice their own lives to save another. Nothing we do can bring

Badal Miah back to life but the least we can do is to support the bereaved family.

IDLC Finance Ltd, the largest financial institution of the country salutes the departed soul of the valiant Badal Miah and as a tribute to his heroic act, IDLC is going to appoint his son Shohag Miah

(18) as a member of its support staff at the firm's Mymensingh Branch.

This was just a small contribution to the family under IDLC's CSR activities to ensure sustainable livelihood of the family. IDLC wishes the best for Shohag Miah's new journey.
