EX-PAK ARMY MAN ICT fixes May 31 for charge submission

STAFF CORRESPONDENT
The International Crimes Tribunal-1 yesterday directed the prosecution to press charges on May 31 against a former Bangalee army official who allegedly worked for the Pakistan army and committed crimes during the Liberation War in 1971.
The accused, Muhamed Shahidullah, also known as Capt Shahidullah, from Golaperchar village under Daudkandi upazila of Comilla, had involvement in confinement, torture, abduction, looting, arson and killing of at least three people during the war, according to tribunal's investigation agency.
For the first time, evidence of wartime offence was found against a person, who was working in Pakistan army during the war, agency officials said as they revealed findings after completing probe against Shahidullah on Tuesday.
Shahidullah joined the Pakistani army and was posted to the then West Pakistan. He had come to his Comilla residence before the war broke out on March 26, 1971, agency officials said.
Shahidullah along with other army men set up a camp at Daudkandi Sadar and tortured and killed civilians, they said.

MP advocates for corrupt principal

dismissed it too, on February 20 this year.
Meanwhile, on January 20 this year, Prof SM Wahiduzzaman, director general of Directorate of Secondary and Higher Education (DSHE), sent a letter to the education ministry, saying, "In no way can Mannan serve as the college principal". He also recommended removing Mannan's name from the list of MPO (Monthly Pay Order) beneficiaries.
Despite the facts, Ayeen in his letter claimed, "BISER approved Mannan's dismissal without verifying documents and going beyond its jurisdiction. That's why a writ petition was filed." He said, "Mannan was dismissed over a personal conflict".
"The Rajshahi education board gave a letter saying, there was no legal embargo on

reinstating Mannan as principal, so any punitive action against him has no logic," his letter said.
BISER Secretary Anarul Haque Pramanik last week said the board letter, signed by the then college inspector Torun Kumar Sarkar, had no legal validity. "The decision (Mannan's dismissal) was approved at the board meeting and the High Court's dismissal of Mannan's petition legally supports the decision."
Contacted, lawmker Ayeen claimed that he sent the letter to the education ministry without knowing about the SC order.
He also said, "What should I do as a public representative if the entire family of an educated man (like Mannan) falls to my feet for saving his job?"
