

WORLD CLASS CARDIAC CARE FACILITY IS NOW IN CHITTAGONG

AFC Health Limited, in collaboration with India's renowned cardiac care provider Fortis Escorts Heart Institute, opens a 52-bed cardiac care hospital in Chittagong. Fortis operates its healthcare delivery services in India, Dubai, Mauritius and Sri Lanka with 45 healthcare facilities, approximately 10,000 potential beds and 314 diagnostic centers.

AFC Health Fortis Heart Institute, Chittagong is the second flagship hospital of the chain after Khulna.

Our commitment is to provide best service at an affordable cost and bring in service innovations like last 24 hour's fee waiver in case of patient death and patient home visit by our doctors as treatment follow up.

We are here to make a difference.
