

# Mim in "Yeti Obhijaan"

Bidya Sinha Saha Mim is all set to star in an installment of Srijit Mukherji's "Kakababu" series "Yeti Obhijaan". The shooting of the film will start on 15th May in Kolkata. The name of Mim's character is Chitragada Verma. In this joint production of two Bengals, the film also stars Prosenjit and Ferdous. Srijit Mukherji had turned the first installment "Mishor Rohosho" of the series "Kakababu" into a film in 2013. "Yeti Obhijaan" will be the third installment in the series and will be about a thrilling adventure in the mountains. Regarding the shooting of this film, Mim said, "I have always been a fan of Srijit Mukherji. When I heard the plot of the script, I was really impressed. I am also really excited about acting with Prosenjit Da." She also mentioned that the shooting of the film will take place in Nepal, Bangladesh, India and Switzerland.

## Mithila and Habib star in "Ghum"

Habib Wahid and Mithila will be seen together in a new song called "Ghum". The song however, was sung by just Habib. The song was released on 30th April and has already garnered more than 5 lakh views! The last time Mithila was seen in a music video was 13 years ago, in "Moyna Go". Habib Wahid has greatly appreciated Mithila's perfor-

mance in "Ghum". He said, "Mithila has surpassed my expectations. She did really well in the music video. The audience will also find a cinematic touch in it." Mithila has also expressed that she is very happy with the outcome of the music video, saying, "My fans will get to see me in a new avatar and hopefully like it."

## Urvashi Rautela starrer "Porobashinee" gets released!

The science fiction "Porobashinee" was released yesterday. It is anticipated to be one of the most successful films of Dhallywood in recent times. The film was produced under the banner of Rege Entertainment and directed by Shopon Ahmed, with Emon and Urvashi Rautela as the lead characters. It was jointly produced by Bangladesh and India. The film

will also be released in America and Middle East. Emon admitted, "Just by thinking that I have been able to be a part of a film like this, is an honor for me. My fans will find me in a new avatar in this film. Bangladesh has also never produced a science fiction film before and thus, I am expecting good feedback from the audience."
