

"Gonojowar" Ensues

Amidst a steady decline in the market for physical discs, Nemesis finally released its long awaited album "Gonojowar" at Krishibid Institute on 10th May. The CDs of Gonojowar are available online through Qinetic Music and are selling like hot cakes. This is not only good news for the band, but the industry itself as an influx of loyal music listeners could mean a gradual end to the plague in the music industry known as piracy. Here's to hoping that more young bands would come forward in releasing physical discs as people are becoming aware of the dangers of piracy.
