BUBLY'S

Third Time on Screen

Bubly's third film "Ahongkar" is all set to release. Currently, it is in post-production work phase. The film was directed by Shahadat Hossain Liton. The film will be released after Eid ul Fitr. Bubly has previously worked with Shakib Khan in two films. Both those films were commercially successful. Those films also gave rise to many rumours regarding the relationship between Apu and Shakib. However, all that is settled now and hopefully this third venture of Bubly will also be successful.
