## First Lady of Afghanistan Rula Ghani urges graduates at AUW commencement

STAFF CORRESPONDENT, Cig

Students should work against all sorts of discriminations and work for harmonious coexistence of different communities in the society, urged Rula Ghani yesterday.

The first lady of Afghanistan also advised students to respect everyone's uniqueness.

She was speaking at the fifth commencement of Asian University for Women (AUW) as the commencement speaker at a hotel in the port city.

"Learning is a lifelong process and it should not be stopped," she told the graduates.

Eighty-five graduates from 15 countries were conferred degrees during the programme.

Besides, honorary doctorate degrees were conferred upon Rula Ghani; Anson Chan, former chief secretary of Hong Kong; Leigh Morgan, chief operating officer of the Bill and Melinda Gates Foundation; and Prof Danielle Allen, director of Edmond J Safra Center for Ethics, Harvard University.

AUW Chancellor Cherie Blair said when the university

# 'Robber' killed in 'gunfight' with cops

OUR CORRESPONDENT, Khulna

An alleged robber was killed in a "gunfight" with police in Khulna city's Tutpara Christian Para area early yesterday.

Raju Ahmed, 30, from Patuakhali, was the second-in-command of Khulna-based "Grenade Babu" group, said SM Mizanur Rahman, officer-in-charge of Khulna Sadar Police Station.

On information that a gang of robbers were preparing to commit robbery, a police team raided the area around 3:30am, said the OC.

Sensing the presence of the law enforcers, the robbers opened fire on them, prompting police to fire back, he said.

At one stage, police nabbed Raju with bullet wounds.

"Raju was shot by the bullet fired by his cohorts while they were fleeing," the OC claimed.

The law enforcers seized a pistol, some bullets and a sharp weapon on the spot, he said.

Raju was sent to Khulna Medical College Hospital where he succumbed to his injuries, he added.

# NARCOTICS CASE 4 'LGBT' youths remanded

STAFF CORRESPONDENT

A Dhaka court yesterday placed four "LGBT" youths on a two-day remand each in a case filed under narcotics control act.

Earlier on Friday, Rapid Action Battalion (Rab) arrested 27 youths along with a community centre allegedly with some Yaba tablets and cannabis in Keraniganj outside the capital. Later, they were handed over to Keraniganj police.

Yesterday, the court passed the order after police produced all the 28 before it seeking a seven-day remand for 16 each of them. The remaining 22 were sent to jail.

Police said the youths, aged between 20 and 25, are students of different colleges and universities while most of them are from the capital and a few are from other parts of the country.

Narcotics charge was pressed on them as "they were not involved in any illegal sexual activities," Jahangir Hossain Matobbar, commanding officer of Rab-10, earlier told The Daily Star.

that, on Feb 8 she told him over the phone that she needed help. When they met at the Mushroom Cafe at MacRit-chie Reservoir, she was in a state of shock and her voice was shaky as she told him she had been "violated".

Addressing Liton, Justice Choo said: "Clearly, she had not (died) or this would have been the world's first supernatural trial. I see nothing supernatural, only a traumatised woman who has convinced me that you committed the offences upon which you are being tried."

**ABOUT THE CASE**

On February 8 two years ago, Liton abducted the 39-year-old Chinese national along a trail at the park at knifepoint. He raped her and forced her to perform oral sex on him.

He was arrested at his worksite two days later, after Gurkha trackers located the crime scene and found a jackknife with his thumbprint in the forest.

gastric, and cancer, he added.

Bangladesh Civil Rights Protection Forum (BCRPF), Bangladesh Scout and Guide Fellowship Paribesh Andolan Mancha, Bangladesh Cycle Lane Bastobayan Parishad, and Pallima Green took part in the human chain.

The speakers said the government must play a stronger role in raising public awareness against formalin use in seasonal fruits as the government was dependent on taxpayers' money.

The problem can be solved if the government takes harsher actions against the importers of the poisonous chemical, they suggested.

The green activists said the government enacted several laws to ensure the production and sale of safe food to protect the public health, but those were hardly enforced.
