anyone about the rape incident, police and court sources told The Daily Star.

It could not be known immediately what Billal said about the rape incident.

Metropolitan Magistrate Mahmudul Hassan recorded his statement. He was later sent to jail.

Earlier on Thursday, Shafat "admitted" before a magistrate that he and his friend Nayem Ashraf alias Halim raped the girls in The Raintree Dhaka hotel in Banani.

Nayem, who was placed on a seven-day remand after being arrested in Munshiganj on Wednesday, admitted to police that he raped one of the two girls while Shafat raped the other, said a top official at Dhaka Metropolitan Police (DMP).

Meanwhile, a Dhaka court yesterday allowed police to carry out a forensic test on five mobile phones of Shafat and his associate Shadman Sakif, who also gave confessional statement before a magistrate on Thursday.

Investigation officer of the case Inspector Ismot Ara Ara filed the application seeking permission for a forensic test on two mobile phones and a power bank. Police will try to retrieve photos or video clips, if exists, investigators said.

Yesterday, the same court permitted investigators to collect DNA samples from Nayem's body. It is necessary to confirm whether those match with the DNA samples of one of the victim's clothe that she handed over to the investigators after filing a rape case on May 6, thinking it would help them get justice.

She neither washed the gown that she wore that night.

Meanwhile, the probe team investigating negligence of Banani police in dealing with the rape issue has been given three more days to submit their report.

Mizanur Rahman, additional commissioner (crime) of DMP, said they took the time as they were yet to take statement of three major witnesses. "Punitive action would be taken against those found to be responsible," he said.

Meanwhile, Ain o Salish Kendra (ASK) yesterday condemned the act of circulating photographs of the two victims on the social media and some news portals.

ASK demanded that the authorities concerned remove the videos and photographs immediately and requested all not to circulate those anymore as it goes against the law and morality.

Gulshan office raid

of the person who filed the diary. In a formal reaction, BNP yesterday alleged that police had raided the office illegally.

"...we think police did the task [raid] unlawfully and shouldering the responsibility, the home minister should resign from office," BNP Secretary General Mirza Fakhru Islam Alamgir told a press briefing at the party's Nayapaltan headquarters.

The BNP leader alleged through this raid the government has proved once again that it does not believe in democracy.

BNP Vice Chairman and Supreme Court Bar Association President Zainul Abedin said, as per CRPC, before making a search, "the officer or other person about to make it shall call upon two or more independent and respectable inhabitants of the locality in which the place to be searched is situate or of any other locality if no such inhabitant of the said locality is available or is willing to be a witness to the search, to attend and witness the search and may issue an order in writing to them or any of them so to do."

"But none was notified before the search. This is illegal. We will take our next step after sitting with the senior leaders in this regard."

Amir Khoshru Mahmud Chowdhury, party's standing committee member, alleged that the raid was basically a reflection of the government's "nervousness".

"The government is losing its political ground. They do not believe in systematic and peaceful politics. ... 'Vision 2030' made them nervous. They are instigating us as they do not believe in peaceful transition of power," he told The Daily Star.

Protesting the Gulshan raid, BNP has staged demonstrations in some districts.
