EXTORTION 'BY POLICE' Tough actions will be taken: IGP

STAFF CORRESPONDENT

Inspector General of Police (IGP) AKM Shahidul Hoque yesterday warned of tough punishment if any allegation of extortion is found against any police personnel.

At a meeting on law and order and traffic management ahead of Eid-ul-Fitr at the Police Headquarters, the IGP also asked police officials to stop extortion.

A meeting source said during Eid last year, some police personnel were caught when they were extorting money from people in the capital.

Referring to the video clips of that incident played during the meeting, the police chief asked the Dhaka Metropolitan Police commissioner to take tough actions against such activities.

The IGP also instructed the officials to stop movement of improvised motorised three-wheelers and battery-run auto-rickshaws on highways to avert road accidents and keep the roads free from gridlock.

In addition, he asked highway and district police to remain alert for preventing highway robbery.

An instruction also came to conduct mobile courts against adulterated and chemical-contaminated food, including fruits and iftar items.

Top officials from the Police Headquarters, metropolitan cities and districts, rail and industrial police, and representatives from different intelligence agencies, Dhaka city corporations, and fire service attended the meeting.

The meeting also discussed security during Eid congregations and actions against fake currency, pickpocket and doping gangs.

The IGP also warned that if anyone harms the communal harmony by posting comments and photos on the internet, quick legal actions will be taken.

Agrani Bank test to be cancelled

Says DU banking dept chair who was in charge of the exam

STAFF CORRESPONDENT

The recruitment test held on Friday morning for the post of senior officer at state-run Agrani Bank will be cancelled over allegations of question leaks.

"We have decided to cancel the test considering the overall situation," Dhaka University banking and insurance department Chairman Prof Abu Taleb, who was in charge of conducting the examination, told The Daily Star yesterday.

Earlier, the authorities postponed the examination which was scheduled to be held on Friday afternoon over similar allegations. Around two lakh candidates

applied for 262 posts. Considering this huge number, the authorities concerned decided to hold the test in two phases -- in the morning and in the afternoon.

However, the allegation of question leaks started surfacing the night before the exam as some candidates reported that they found printed and also written copies of questions on the social media.

All the recruitment tests in the state-run banks are conducted under the supervision of Bankers Selection Committee at Bangladesh Bank. The banking and insurance department took over the charge of the examinations after winning a bid.
