

Let Orion footwears
make this
Eid different

The shoes that show
men's personality

ORION

The closer Eid is getting the more restless you are becoming. It is not only happening to you, everybody is feeling the same. Throughout the year you make so many plans for Eid. With the starting of Ramadan you just cannot wait any longer, you become restless. You start thinking about what you will eat on the three days of Eid, where you will go etc. But what causes you the most excitement is who are the persons you are going to meet & spent time with and more than that what you will wear. Behind these excitements is

your personality. In any get-together whether it is within the family or amongst friends, you want to stand out for your smartness and for people to notice that. You want them to praise your good, smart taste.

This Eid, Orion footwear is by your side to make you stand out from the rest as a smart, well dressed person. You can choose and buy shoes and sandals that are modern, smart & unique from the 27 Orion outlets spread across the country.

Both personality and comfort are important for man. This Eid Orion has brought a huge range of men's shoes and sandals. The technology used for making these shoes and sandals are unique and the designs are totally different from any other shoes and sandals available in the market.

With this modern and unique Orion shoes and sandals you have a totally different smartness. You stand out from the others.
