

The Immortal One

With her melody and songs,
She has crossed all that distance.
To her melodious voice
No one has any resistance.

Runa Laila, a name
We will always remember.
In our hearts, her legend
Will live on forever.

The Actor

Through his craft and skill,
He spreads brilliance
Again and again;
He is everyone's beloved
Afzal Hossain.

A man of not one
But talents has he many,
To the eyes it's art,
To the ears, polyphony.
