

## The Villain

Young ladies fear  
His sadistic smile,  
The beast incarnate  
Sends shivers down their spine.

Misha's trade is villainy,  
He does it with pleasure;  
The scenes where he's beaten  
The audience does treasure.

He is more despicable  
Than anyone has ever been;  
But hold on, my friend,  
That's only on screen.
