

RICKSHAW ART

**With love from
Biskut Factory**

FROM PUBLIC PROPERTY
TO POCKETS AND
PURSE. CARRY IT,
WEAR IT. BE IT.

One would imagine that a person who prefers to go only by his first name, and that too — Biskut — would be quite charming and animated. And here Biskut does not disappoint; neither does his establishment — Biskut Factory — a cornucopia of ideas where traditional rickshaw art sees a revival and creativity sees no bounds.
