SYED RUMA

Syed Ruma is one of the more successful models in Bangladesh. She has gained fame in both ramp and print media. In this issue we bring you the secrets that make her beautiful.

Ruma starts her day by cleansing her skin really well. Since clean skin is one of the most important steps of skin care regime, she makes no compromises with her cleanser, using the Clinique Rinse Off Foaming Cleanser. Once her skin is completely clean of all impurities, she uses the Olay Moisturizing cream to moisturize her skin. These are the two most basic parts of her skin care. For her hair, she makes sure to oil it three times a week and get a protein treatment once a week.

Since her job entails her to use a lot of makeup all the time, she carries her own makeup kit all the time and only uses those products. When it comes to makeup there are a few things she can't live without. The first one is lipstick. Her favorite brands for lipsticks are Dior and Mac. She loves to wear really bright lipsticks as they go well with her fair skin tone, so for her everyday look she prefers Ruby Woo and Lady Danger by Mac. Right after lipstick, her next favorite products are mascara and kajol. Since she already has really big beautiful eyes, just a little bit of mascara and kajol does the trick and completes her look. Currently, she is using the L'Oréal Extra Volume Collagen and Revlon Kohl Kajal.

For her everyday looks, Ruma prefers to go with a comfortable pair of Denim pants and a trendy top or t-shirt. Among her current favorites are off-the-shoulder and cut-off-shoulder tops. Since she needs to dress up a lot for her work, she prefers to stay simple in her personal life and doesn't really accessorise much other than maybe a bracelet, rings and a watch. Although she is not a big fan of watches, when she does wear one, she goes with Michael Kors. However, when she has to attend a wedding, she loves to dress up in a traditional way. For the traditional look, she usually goes with a heavy katan saree and pairs it with a necklace, earrings and bangles. And she never forgets to finish her look with her favorite perfume, Carolina Herrera 212 VIP.
