brief

ICT-1 to get new chairman soon

STAFF CORRESPONDENT

Law Minister Anisul Huq said yesterday said the chairman of International Crimes Tribunal-1 (ICT-1) will be appointed very soon.

He, however, did not say who will be appointed as the chairman, and when the appointment will be made.

Replying to a question on whether he has consulted with Chief Justice Surendra Kumar Sinha about the appointment, Anisul Huq said, "I will not say anything about this at this moment."

The post of ICT chairman fell vacant after its chairman Justice Anwarul Haque passed away on Thursday.

Faridpur road crash kills one

OUR CORRESPONDENT, Faridpur

A man was killed as a three-wheeler carrying him collided head-on with a motorcycle on Faridpur-Sadarpur road in Jatrabari area of Sadarpur upazila in Faridpur on Friday night.

The deceased is Kasham Sordar, 65, of Chardubail village under the upazila.

Sorif Abdul Bakir, sub-inspector of Sadarpur Police Station, said locals rushed Kashem to Sadarpur Upazila Health Complex where doctors declared him dead.

normal pro-people activities, not creating any distance from mass people," she said.

She said the SSF personnel should consider the public relations of the VIPs with utmost importance.

The prime minister said the SSF members should consider with importance about the attainment of strength of character, higher discipline, honesty, responsibility and human qualities alongside improving professional skills.

She asked them to maintain good relations, close contact and coordination among all associate agencies for ensuring foolproof security circle.

The prime minister said still there are conspiracies by a section of anti-liberation forces to block the country's progress and destroy its image. "Bangladesh must move forward facing all the plots of the evil forces as it did in the past."

She renewed her pledge to change the fate of people saying the power is not for enjoyment as it is a responsibility towards people to ensure their welfare.

The prime minister mentioned that political parties ascend to power taking public mandate for a particular period of time and the MPs are elected only for five years, and she will also go to people after every five years to seek their support. Considering this reality, she said, her party goes to people to explain how much of its election pledges and economic policies are implemented.

Earlier, Director General of SSF Maj Gen Md Shafiqur Rahman delivered the welcome address.

The photo of a rare solar halo was taken in Chittagong city yesterday around noon. The optical illusion is seen only when the sun is 58 degrees or higher above the horizon and shines through horizontally-oriented hexagon ice crystals in cirrus clouds. Cirrus clouds are high-altitude clouds that are characterised by their thin and wispy appearance.

girl went to their respective rooms but Ateef and Winson started drinking liquor in Winson's room where the party was held, the OC quoted Niraj as saying.

When Niraj came out of his room to lock the main door of the flat around 12:00am, he found Winson's room locked from inside.

As none was responding from inside despite repeated knocks on the door, Niraj entered inside using a spare key and found Winson hanging from the ceiling and blood stained body of Ateef on the floor, said the OC quoting Niraj.

Niraj and the girl, with the help of fellows, rushed the duo to the USTC hospital immediately but the USTC medical authority suggested them to go to Chittagong Medical College Hospital (CMCH) as it was a police case, said Alamgir.

Winson was admitted to CMCH but Ateef was declared brought dead around 1:00pm. Later, Winson was transferred to nearby Max Hospital as his condition started deteriorating, said the OC.

OC Alamgir said they found 15 wound marks of a sharp weapon on Ateef's body. After an autopsy, the body was handed over to the USTC authorities.

Police primarily suspected that following an altercation between the two in a drunken state, Winson might have stabbed Ateef to death and later tried to kill himself.

"Niraj and the girl are being quizzed", said Alamgir, adding, others who attended the party will be interrogated later.

Deputy Commissioner (ADC-west zone) of Chittagong Metropolitan Police (CMP) Farookul Haque said Winson will be interrogated after his condition improves.

"The incident was conveyed to Indian Assistant High Commission in Chittagong and the commission will take steps to contact the victim's family," said the DC.

Filing of a case was underway with Akhber Shah Police Station in this connection, said OC Alamgir.

University student fighting for life after brick fall

STAFF CORRESPONDENT

A private university student is fighting for life in a Dhaka hospital after a brick fell on his head from the roof of a three-storey building in Mohammadpur area on Friday afternoon.

Akhidul Islam, 22, a fine arts student of the University of Development Alternative, is under life support following a head surgery at Square Hospital on that day, hospital sources said.

The victim's family filed a written complaint with Mohammadpur Police Station, said Officer-in-Charge Jamaluddin Meer.

They picked up the building owner Mosharraf Hossain and his son for their negligence in maintaining the building, he said.

The incident happened on Road No-7 of Mohammadi Housing while Akhidul was returning home on Road No-8 of the housing from a Dhanmondi coaching centre, said his family.

The OC said Mosharraf told them that there was a family programme on the roof during the incident.

Due to the gathering, a brick fell down from an old wall that demarcated the roof, he quoted the building residents as saying.

Akhidul used to live with his brother-in-law Mostafiz Karigar who said Akhidul is the third among four siblings.

Construction of Karnaphuli tunnel likely to begin in August

BSS, Ctg

The construction of multi-lane road tunnel under the Karnaphuli river is expected to begin next month.

"The primary groundwork to construct the tunnel and build up twin cities on both banks of the Karanaphuli river have already been completed," Kabir Ahmed, project director, told BSS.

situation won't change until a democratic government and the rule of law is established."

Bikolpodhara joint secretary general Mahi B Chowdhury said, "We will have to create conscious among people about the rule of law. If people are aware about the rule of law, they will protest on their own for establishing it." Pointing to the resignation of his father Prof AQM Badruddoza Chowdhury as president in 2002 when BNP was in power, Mahi said if the rule of law prevailed in the country, he would not quit, fearing possible impeachment, only because he had visited a mausoleum [of Bangabandhu Sheikh Mujibur Rahman].

Waterlogging a

FROM PAGE 5

Anisur Rahman, KCC conservancy officer, said, "There are four excavators used for removing waste from around 2,187 drains. Also, we have 550 employees to clean and maintain the drains."

But during high tides, drain water cannot flow into the river properly that eventually creates waterlogging, he said.

Wishing anonymity, an engineer of KCC, said, "During high tide in the rivers (Bhairab and Rupsha) drain water cannot flow into those as the rivers' water level goes over the sluice gate. As a result, tidal water also enters the city's drainage channel. In addition, when it rains, water also gets stuck on the roads creating waterlogging."

Contacted, KCC Mayor Moniruzzaman Moni said, "We are trying our best to solve the city's waterlogging crisis."

The mayor urged the city dwellers not to throw garbage in the drains or canals, which clogs up the drainage system. "Everyone has to work together to keep our city free from waterlogging," he told The Daily Star.

Admitting that some of the canals have also come under the threat of encroachment, he said, "We are continuing our drives to free the water bodies."

"We are preparing a Tk 6,000 crore master plan where a 35km embankment will be built to save the city from the tidal water. We will also construct four pumping stations to pump out rainwater. The plan will be implemented by 2021," he said.
