Road crashes kill four

Three die in Bogra alone

CITY DESK

Four people died in separate road accidents in the country yesterday and on Thursday.

Our Bogra correspondent reports, three people were killed and at least 10 others injured when a Gaibandha-bound bus of Bornali Paribahan collided head-on with a maize-laden truck of Syed Enterprise in Dhonkundi area on Bogra-Dhaka highway in Sharpur upazila of Bogra yesterday morning.

One of the dead was identified as Abdul Jalil, 60, the bus passenger. Identities of the other dead could not be known immediately.

After the accident, fire officials and police rushed all the 13 people to Shaheed Ziaur Rahman Medical College and Hospital (SZMCH) where three of them died.

Our Dinajpur correspondent reports, an elderly man was killed as a pickup van hit him from behind while he was walking at Nischinta-Bazaar in Khetlal upazila of Joypurhat on Thursday evening.

The deceased was Sadek Ali, 77, a resident of Hajipara in Kalai municipality.

billboards in all major cities and will distribute leaflets and stickers across the country to encourage people to submit their allegations against graft suspects through calling from their phones.

In January this year, the ACC got approval with a number (106) from The Bangladesh Telecommunication Company Limited (BTCL) to launch a hotline.

hurt in her right leg and waist badly. We tried to give her necessary medicines."

Rajlakshi was showing little improvement as doctors were applying allopathic and herbal medicines. "But on Thursday night, her condition got worse. She might have died due to cardiac arrest."

"We have limitation as there is no X-ray facility for animals the in Sreemangal livestock department and Lawacherra Wildlife Rescue Centre." He said they would have been able to identify the problem and provide required treatment to the animal if an X-ray could have been done. "Before burial, we will collect samples for a postmortem," he added.

Tabibur Rahman, assistant conservator of forest of Wildlife Management and Nature Preservation Department, said, "We tried our best to treat the elephant."

Echoing him, Mihir Kumar Doe, divisional forest officer (DFO) of wildlife management and nature conservation in Sylhet, said Rajlakshi died after treatment.

Bhanu Lal Ray, union parishad chairman of Sreemangal, said they have decided to donate a land for her burial.

Rajlakshi was 35-year-old and weighed around three tonnes.

Meanwhile, the only wildlife treatment centre in the region, Lawacherra Wildlife Rescue Centre in Moulvibazar's Kamalganj upazila, is running without any veterinary surgeon, nurses and adequate equipment for over a year. The centre cannot provide ordinary treatment to injured animals, let alone perform critical surgeries.

The centre has been facing a manpower and equipment crisis since its establishment in March 2015. The situation got worse when its only veterinary surgeon resigned in September last year.

Dr Ariful Islam, veterinary surgeon at Sreemangal Livestock Department, has been providing voluntary service at the centre for over a year. "The centre needs to appoint a veterinary surgeon immediately..." he said.

A number of injured and sick animals have died at the rescue centre for a lack of treatment. When asked, the DFO said he has written to the higher authorities regarding the problems.
