

# Masuma Rahman Nabila

*Masuma Rahman Nabila has been a popular TV show host and model for some time now. She has hosted various shows including the BPL opening ceremony and the 100 day countdown to ICC Twenty20 World Cup. After 'Aynabaji', Nabila has gained new fame in the silver screen as a household name.*

Much like her personality, Nabila likes simplicity in her makeup. To her, a clean and clear skin is beautiful. Thus, she always makes sure to cleanse her skin really well at least twice a day. Once she has cleaned her skin properly, she applies the Boots Essential Cucumber Facial Wash. After her face is completely clean she uses the Olay Total Effects CC Cream which also has SPF 15 so she doesn't need a separate sunscreen. The reason behind that is; she loves to wear makeup that is very light on her skin so that it gives her skin a chance to breathe. Since she already has really good skin, she doesn't need heavy makeup unless it's for a shoot.

For her everyday look, apart from her CC cream, she likes to line her eyes with Kajal and put on a light shade lipstick. In summer, she likes to wear nude lipstick in light pink or beige hues. Among her favorite brands is MAC. But even more than lipsticks, she likes to wear tinted lip balms, like the ones from Lip Ice, during the day. She only likes to wear dark lipstick when she goes out at night. For her hair, she makes sure to oil once every two weeks and also gets a hair treatment pack from the parlor once a month. She likes to trim her hair very frequently, to make sure split ends don't occur.

When it comes to formal parties, she likes to wear sarees. However, she prefers sarees of a single color. Her favorite colors are navy blue, bottle green, dark brown, and grey. She usually likes to accessorize her formal look with one statement piece like a chunky necklace or really big earrings. She finishes her look with her favorite Versace perfume.
