

# SWEETY

## FACE

Sweety makes sure to always cleanse her skin really well so that no makeup residues or impurities stay there. To cleanse her skin, she uses olive or baby oil with cotton. This does both the job of cleaning her skin and allows herself to get a light massage. Once all the makeup is gone, she uses Victoria's Secret Wild English Garden Lily's Isle Crystalline Soap to further clean her face. After that she uses the Lancome Tonique Pure Focus Toner. She also likes to use the Citacil soap and lotion sometimes. At nighttime after using the toner, she scrubs her skin of all the dead cells so that her skin gets a chance to breathe. When it comes to makeup, she tries to avoid wearing it as much as possible, unless absolutely needed. She also gets the Oxy Bright Facial from Persona once a month.

## HAIR

For her hair, she likes to get hair treatments once or twice a month from the parlor. She likes to get the oil pack, hair spa and protein treatment. She also occasionally gets a head massage as it helps improve the blood circulation on the scalp and prevents hairfall along with increasing hair growth.

## EYES

Sweety is a big fan of kajal. She is currently using Mac. When it comes to eye makeup, for everyday outings, she prefers to just line her eyes with kajal and maybe apply a little mascara occasionally. However, when she has to go to a party or function, she likes to go with smoldering smoky eyes. She either just smudges the kajal for a soft look, or applies a little bit of eye shadow to get a more pronounced look.

## LIPS

Sweety prefers nude shades for her everyday look when it comes to lipsticks. She only goes with dark shades for parties. She lines her lips with a liner that is a shade darker than her lipstick. She then fills in the rest with the lipstick. Her favorite brands amongst lipsticks are Mac and Sephora.

## PARTY WEAR

She likes to go with saree for most parties as they are her favorite. Depending on the occasion, she chooses amongst Kanchivaram, Taat, Toshor or Jamdaani. Her favorite color happens to be white but she also likes to wear black, red or brown. For accessories, she goes with earrings and bangles as they happen to be her favorite amongst all types of jewelry.

## REGULAR WEAR

For her everyday attire, she opts for jeans and kurtis. She likes to be comfortable and wears whatever complements her the most.
