

# Macauly Culkin and Paris Jackson Get Matching Tattoos!

Macauly Culkin and Paris Jackson were spotted getting matching tattoos recently. For those of you who don't know, Paris Jackson happens to be the goddaughter of Macauly Culkin. Macauly had been friends with Michael Jackson for a long time and had even visited his Neverland Ranch several times as a kid with his family. He also appeared in Michael Jackson's 1991 music video *Black or White*. Both of them got matching spoon tattoos. Tattoos of this type usually symbolize chronic struggle. However, neither of them mentioned any reason behind the tattoos.

# Jennifer Lopez's 'Blended' Family!

Jennifer Lopez and her boyfriend, the retired Baseball player Alex Rodriguez, have already made their fans see wedding bells with the recent picture they posted on Instagram. In the photo, Lopez's twins can be seen cuddling up to Rodriguez along with his daughters. Fans started commenting how perfect this 'blended' family looked. Both of them are not shy of posting pictures of their family vacations even with their exes. Both of them also maintain cordial relationships with their exes and are great at co-parenting. "We're just in a really great place, and the kids get to spend time with the two of us more together and see us working together", Lopez told Kelly Ripa on *Live With Kelly*. They aren't just relationship goals but also parenting goals.

## FAMOUS BIRTHDAYS

# A Happy Birthday to the Dusky Beauty!

Born to Shomu Mukherjee and Tanuja Samarth on 5th August 1974, Kajol is one of the most endearing personalities in Bollywood. She effectively shattered the stigma that dark-skinned actors couldn't make it to the top. Not only was she one of the top stars of her time, she became the face of Bollywood with *Baazigar* and went on to star in one of the highest grossing films ever made in India, *Dilwale Dulhania Le Jayenge*. Even though she still stars in films, her appearances are few and far between. She is said to appear in *Velaiilla Pattadhari 2*, an upcoming Tamil film expected to release later in 2017.

# Brad And Kate Are Expecting Twins!

Kate Hudson is expecting! And that too not one but two babies! The actress is just over four months pregnant and recently visited the doctor to get an ultrasound. There are some doubts over the paternity of the twins but friends of Kate say she is certain that Brad Pitt is the father. Sources say that Brad couldn't be more excited to be a dad once again. Celebrity security guard Kris Herzog who has worked with both Brad and Angelina has said that Brad and Kate are a match made in heaven. "I know both Kate and Brad, and it wouldn't surprise me at all if they were dating! Brad would be lucky to date her. They make a great celebrity couple!"
