Despite the major strides in education, in Bangladesh many children still find it difficult to make their way to school.

As part of the organisation's 'Every Last Child' global campaign, 'Bridging The Gap' programme by Save the Children in Bangladesh wants to give students the opportunity to get a glimpse of the disadvantaged lives of children in the Rayerbazar slum in Dhaka and a remote part of the Sylhet region. SHOUT is providing these volunteers a platform to tell the nation what they observe.
