Farmers and a number of entrepreneurs have been investing in the cattle business in recent years. They usually buy cattle after Eid season and fatten those scientifically to sell those before the next Eid-ul-Azha.

A veterinary team consisting of five members and equipped with steroid-detecting devices will be deployed to check health of animals on sale at each of the 24 cattle markets to be administered by Dhaka north and south city corporations, according to the Department of Livestock Services (DLS).

Among others, Food Minister Kamrul Islam, BFSI Chairman Mohammad Mahfuzul Hoque, member Prof Dr Iqbal Rouf Mamun, member Abdul Baten Miah and Channel 71 News Director Syed Ishtiaq Reza also spoke.

Advance train, bus tickets

Teesta junction in Lalmonirhat to Ramna Bazar in Kurigram's Chilmari, he said.

In response to a query regarding the status of the rail network, the rail minister said they hoped that everything would be normal before the Eid, and if not, they would act accordingly.

Private bus operators, in the meantime, will start selling advance tickets from different bus counters from the morning, said Faruk Talukder Sohel, chairman of Bangladesh Bus-Truck Owners' Association.

However, several bus owners have expressed concern due to poor road and highway conditions -- especially the ones connecting Dhaka with northern and south-western regions.

ADVANCE LAUNCH TICKETS FROM AUGUST 20

Private launch operators will start sale of advance tickets for launch cabins from August 20 and special launch services will start from August 28, said Zainal Abedin, joint director (Dhaka river port) of Bangladesh Inland Water Transport Authority (BIWTA).

The decision was taken at a coordination meeting held today at Sadarghat Launch Terminal, he added.

The meeting was attended by officials of BIWTA and representatives from launch owners, workers' associations and law enforcement agencies with BIWTA Chairman M Mozammel Haque in the chair.

Usually, 70 to 75 launches operate on 41 routes, mostly between the country's southern regions and Sadarghat terminal in Dhaka. Some 130 more vessels will join the fleet before the Eid to carry eight to 10 lakh passengers.

These launches have around 10,000 to 12,000 VIP, First Class and Second Class cabins, said representatives of several launch operators.

Meanwhile, another meeting between law enforcers and launch owners was held yesterday at the office of deputy inspector general (DIG) of Marine Police to ensure security of waterways during the Eid holidays, said a press release.

DIG of Marine Police Sheikh Mohammad Maruf Hasan chaired the meeting.

retreated when locals chased them, he added.

One of the injured activists, Riyad, was treated at Dhaka Medical College Hospital, said Imran.

Under the banner "Nagorik Samaj", they held the programme from where they urged the government to accelerate relief activities and rescue operations for the flood victims.

Imran said he would file a case.

Talking to The Daily Star, Officer-in-Charge of Shahbagh Police Station Abul Hasan said they would take action after receiving a complaint.

Earlier, on July 16, Imran came under attack while walking out of a Dhaka court after securing bail in a defamation case filed for his "derogatory" remarks about Prime Minister Sheikh Hasina.

Lawyers' face-off continues

FROM PAGE 5
Presided over by BAAP's convener Advocate Yusuf Hossain Humayun, the meeting was addressed by its Joint Convener Advocate Abdul Baset Majumder, Barrister Rabia Bhuiyan, former home minister Advocate Sahara Khatun, SCBA's former secretary Advocate Momtaz Uddin Ahmed Mehedi, Advocate Azhar Ullah Bhuiyan, and Barrister Tanjib-Ul Alam, among others.

AL Law Affairs Secretary Advocate SM Rezaul Karim told The Daily Star that they hoped that the chief justice would consider their demand and take an initiative to expunge the "irrelevant" observations from his judgment.

BAAP will take the next course of action later on, if their demand is not met.

WHAT PRO-BNP LAWYERS SAY

BNP leader and former law minister Barrister Moudud Ahmed, BNP Vice Chairman Advocate Mir Mohammad Nasiruddin, SCBA President and JAF President Advocate Zainul Abedin, JAF Secretary General Barrister AM Mahbob Uddin Khokon, SCBA's former secretary Barrister Bodruddoza Badal, JAF leaders Advocate Taimur Alam Khandker, Gazi Kamrul Islam Sazal, Barrister Kaiser Kamal, Advocate Mirza Al Mahmud, among others, spoke at the meeting organised by JAF at SCBA's north hall.

Barrister Moudud Ahmed told the meeting that the SC judgement on the 16th amendment reflected the hopes and desires of the 16 crore people of Bangladesh, and it would strengthen the rule of law, democracy, and independence of judiciary.

He wondered how former chief justice ABM Khairul Haque took a stand against the current chief justice and other SC judges.

Khairul Haque is working as a spokesman of the government, Moudud said, adding that he was a salaried government official and he violated the law.

If Khairul Haque resigns as Law Commission chairman, he would be considered a truthful man; otherwise he would be treated as an "agent of the government", he said.

At the meeting, Barrister Mahbob Uddin Khokon announced that JAF leaders and members would hold protest programmes at bar associations across the country on Sunday, Tuesday, and Thursday, raising the same demand.

Meanwhile, SC lawyer Advocate Eunos Ali Akond yesterday told a press briefing on SCBA premises that the comments made by the ministers and ruling party leaders on the SC verdict were tantamount to contempt of court.

IFC International Finance Corporation

WORLD BANK GROUP

Job Opportunity - Communications officer

Application Deadline: August 23, 2017

IFC, a member of the World Bank Group, is the largest global development institution focused on the private sector in emerging markets. Working with 2,000 businesses worldwide, we use our six decades of experience to create opportunity where it's needed most. In FY16, our long-term investments in developing countries rose to nearly \$19 billion, leveraging our capital, expertise and influence to help the private sector end extreme poverty and boost shared prosperity. For more information, visit www.ifc.org.

IFC's South Asia Department is looking for a Communications Officer to oversee external and internal communications for IFC in Bangladesh.

The Communications Officer will work closely with the project teams to enable IFC's work across the country. The position will require close collaboration with IFC's regional communications team and with partners in the wider World Bank Group, as well as private sector companies, international organizations and civil society across Bangladesh.

The Communications Officer will be based in IFC's office in Dhaka, Bangladesh. He/she will report to the Country Manager for Bangladesh, Nepal and Bhutan, based in Dhaka, and to the Regional Communications Head based in New Delhi, India.

For a detailed job description and selection criteria, interested individuals may visit <http://www.ifc.org/careers./Current> Opportunities (Job # 171529). All applications must be made through the on-line posting portal. Only short-listed candidates will be notified.
