

STYLE TIPS

SABILA NUR

In this messy season of monsoon, Sabila Nur tells us the tricks of being stylish. Since the weather can switch from sunny to rainy anytime, it is a good idea to go with balanced attire for maximum comfort. Pairing a comfortable palazzo with either fitted or loose crop top, t-shirt or shirt, is the way Sabila goes. Sabila advises to complete the look with a large chunky bracelet or neck piece. When it comes to makeup, she believes less is more. Heavy makeup might do more harm than good during the rain, as it might just melt away. Therefore, according to Sabila, applying a waterproof light BB cream along with winged eyeliner, some mascara and a nude lip-stick, are the best choices for monsoon.
