## Implement HC

FROM PAGE 3  
It directed the deputy commissioners of Dhaka, Narayanganj, Gazipur and Munshiganj to determine exact boundaries of the Buriganga, Shitalakkhya, Turag and Balu rivers by November 30, 2009. To facilitate the demarcation work, the HC directed the forest and environment secretary to declare the four rivers "Ecologically Critical Areas". The directives came in response to a writ petition filed as a public interest litigation by Human Rights and Peace for Bangladesh. Addressing the press conference, Dr Abdul Matin, coordinator of BNDSP and general secretary of Bangladesh Poribesh Andolon (Bapa), said although the government lacks a policy to protect the rivers, the HC court directives can help protect those. The River Commission is ineffective because it can only give recommendations, but cannot take any action against encroachers or polluters, he added. Sharif Jamil, joint secretary of Bapa, said the government's river demarcation work around the capital was faulty, leading to further encroachment of the rivers. To observe the World River Day, a procession with the slogan "March for Rivers" will be brought out from Bahadur Shah Park in the capital on September 23.

He also assured that the newspaper will try its best to provide support. Lt Col (ret'd) Mudassar Hossain Khan, president of the cancer care centre, and Nawazish Ali Khan, an adviser of ATN Bangla, also spoke.
