Shahriar Kabir urges govt; assures of Nirmul Committee support

STAFF CORRESPONDENT

Ektorer Ghatat Nal Nirmul Committee President Shahriar Kabir has urged the government to file a case with the International Criminal Court (ICC) against Myanmar government and its army for committing "war crimes and genocide" against the Rohingyas.

The eminent war crimes researcher assured that his organisation would provide support to the government by collecting evidence and providing documents for the trial.

If Bangladesh does so, many countries across the globe will stand by it, he said.

Bangladesh has no legal barrier to complain, he said while speaking at a discussion organised by the Nirmul Committee in the capital's Institution of Engineers Bangladesh (IEB) yesterday.

The programme was organised to find out the responsibilities of the government, civil society and the international community regarding the recent Rohingya crisis.
