

MARIA NUR

Maria Nur is a presenter and model, working mostly as an anchor for TV and radio programs. She is the brand ambassador of Lip Ice Bangladesh and Ekhanei.com, and has also acted in TV dramas. She has gained popularity as a host for sport shows, especially during T20 World Cup 2014.

SKIN
Much different from her glamorous personality on screen, Maria Nur is actually a big fan of simplicity. If it was an option, she would go makeup-free all day. However, due to the nature of her work, that simply isn't possible. However, as soon as she steps in through the door, she makes sure to remove every trace of makeup from her face. She uses the Sephora Cleansing Milk to do so. Once all the makeup has been removed, she uses a toner and then moisturizes her skin with Kiehl's Ultra Facial Oil Free Gel Cream.

HAIR
Maria Nur is very strict when it comes to her hair care regime. She has naturally straight hair but likes to have her hair wavy or curly. After coming back home she makes sure to remove all the hair styling product from her hair with Argan oil. Then she washes her hair with shampoo before bed. She also applies Castor oil or Aloe Vera gel once a week to keep hair healthy, silky and smooth.

MAKEUP
Maria Nur is a big fan of nude makeup. Unless required otherwise, she loves to go for nude matte makeup. Amongst her favorites is the Urban Decay Naked Range. She completes her nude eye makeup with Too Faced Better Than Sex. Her favorite lipsticks include all the nude shades from Colorpop, Mac and Limecrime. She usually mixes a few shades together to get the perfect shade she wants.

PARTY WEAR
She dresses up depending on the party. If it is a traditional event like a wedding, she usually goes for a more traditional look. She pairs a saree with either silver, white gold or diamond jewelry. However, if it is a party with friends or colleagues, she almost always wears western. She will then opt for a trendy top like the off-shoulder or crop-top and pair with very minimal accessories.

REGULAR WEAR
For her everyday attire, she always goes for western outfits. She keeps comfort in mind while choosing her outfit. She usually goes for a simple t-shirt or shirt with jeans, and pairs them with sneakers.
