

SHABNAM FARIA

Shabnam Faria stole everyone's hearts with her bubbly personality in her debut TVC of Pran Chanachur. She has also starred in many notable dramas like 'Monkey Bizness' and 'Protikkhka', along with many other TVCs she is very well known for.

SKIN
After a hectic day of shooting, Shabnam Faria cleanses her skin with the Clinique Cleansing Oil. Once all the makeup is gone, she further cleanses her skin with Bioderma Micelle Solution. She then proceeds with her moisturizer before finally going to bed. She also tries to get an ample amount of sleep as this helps her skin rejuvenate overnight. She gets a facial from Persona once every month to keep her skin blemish free.

HAIR
She has naturally curly hair. Therefore, she has to blow dry and straighten her hair very frequently. But she makes sure to always apply a heat-protection spray before applying heat to her hair. She also tries to massage oil into her hair for half an hour every day to keep it moisturized and frizz free. Once a month, she gets a spa treatment from the parlor to keep her hair healthy. Every now and then she tries to apply hair masks but doesn't really get the time.

MAKEUP
Shabnam Faria is a self-proclaimed makeup freak. She loves to collect different types and brands of makeup. Even in her own personal life she loves to wear makeup. However, she has one makeup mantra; no matter how much makeup she

is wearing, it has to look natural. This is why she always goes for nude shades for both eyes and lips. She starts her makeup routine with the Tarte Shape Tape Concealer and applies the MAC Studio Fix Powder Foundation. To cover up the dark circles, she uses the Maybelline Age Rewind Concealer. To complete her look, she uses the Maybelline Colossal Kajal and either Benefit They're Real Mascara or Too Faced Better Than Sex Mascara.

REGULAR WEAR
Shabnam Faria is a big fan of traditional wear. She loves to wear basic cotton sarees and wears them almost all the time. She accessorizes them with antique jewelry. She has a rather huge collection of antique jewelry which she has collected from her visits abroad. However, to run simple errands she prefers wearing western outfit. She usually always wears small studs and a diamond pendant with western outfits.

PARTY WEAR
She is a huge fan of Jamdani and Katan saree. She wears them whenever she goes to a traditional party. However, for a hang-out with friends or a party with colleagues, she prefers to wear western which she usually keeps casual and light.
