

Road crashes kill three

CITY DESK

Two persons were killed and 10 others injured when a bus rammed an oncoming brick-laden tractor trolley at Raniganj in Ghoraghat upazila yesterday, reports our Dinajpur correspondent. The dead are Nurul Islam, 40, of village Dakkhin Debipur, and Mithila Begum, 17, of Nawabganj upazila. Our Mymensingh correspondent adds, Sirajul Islam, 80, former head teacher of Hossainpur Govt Model Primary School, died as a human haulier ran him over at Narayandohor in Hossainpur upazila of Kishoreganj on Saturday night.

Councillor Shahanur Begum cradles a baby in her arms at Chittagong Medical College Hospital yesterday. She found the newborn, lying next to its mother who appeared mentally unstable, in front of a container terminal in the port city's Patenga area around 11:00am while she was returning from an arbitration. She took the child to the hospital for primary treatment and thereafter took him to her home. "Since my husband is also a councillor and we stay busy most of the time, we are planning to hand over the child to those who will look after him with love and care," she said. The mentally-disturbed mother is also undergoing treatment at a hospital, she added.

"Immediately, we tried to reach him over the phone but his cell phone was found switched off," she told The Daily Star. Then she filed a general diary (GD) with the police station, she said. "... We are very much worried now as we are yet to know his whereabouts," said the mother. This correspondent talked to the eyewitnesses who said they had seen five to six men, aged between 30 and 40, forcibly dragged him inside a vehicle. Officer-in-charge (investigation) of the police station said they were investigating the incident.

3 N'ganj workers die in septic tank

OUR CORRESPONDENT, N'ganj
Three construction workers died while working inside a septic tank at an under-construction building in Fatullah of Narayanganj yesterday. Less oxygen might have caused deaths of Nabi Hossain, 36, Liaqat Hossain, 44, and Shahinoor, 22, while they were working at Sheharchar in Lal Kha area, said fire service. Contractor Khaled Mia fled the scene after the incident, said Sabuj Mia, one of their co-workers. Sabuj said, "At 4:00pm, Nabi went into the tank. After getting no response from him, Liaqat and Shahinoor also went inside. Later, other co-workers went there and found their bodies and called fire service." Mamunur Rashid, deputy assistant director of Narayanganj Fire Service and Civil Defence, said two fire fighting units recovered the three bodies after half-an-hour effort. Fatullah Model Police Station Inspector (Investigation) Shahjalal said the bodies were sent to a Narayanganj hospital for autopsies.

Police sue 109 BNP activists

OUR CORRESPONDENT, Barisal
Police filed a case against 109 leaders and activists of BNP for preventing law enforcers from discharging duties, obstructing traffic on Barisal Sadar road, and vandalising vehicles on Saturday afternoon. SI Saiful Haque of Barisal Kotwali Model Police Station filed the case against 29 named leaders and 80 anonymous activists of party's district and city units. Protesting the issue of arrest warrant for BNP Chairperson Khaleda Zia, the units staged a rally and also brought out a procession where police charged baton. Eight leaders were arrested at the human chain.

According to a UN statement, around 2,000 IPU delegates, gathered at Saint Petersburg, will focus on overcoming intolerance, xenophobia and extremism. "As the world becomes increasingly interconnected, new technologies and migration are breaking down old barriers and bringing people together in different ways," IPU said

in the opening press conference. During the assembly, the parliamentarians are expected to sign a petition promoting democratic societies. They will also discuss a number of global issues, including prohibition of nuclear weapons, ensuring cyber-security, attaining the Sustainable Development Goals (SDGs) and promoting the use of renewable energy.

11 cases against Khaleda

FROM PAGE 3
HC had already stayed trial proceedings of the 11 cases. Besides, Khaleda was not able to appear before the judge's court yesterday as she had been in London for treatment. Of the 11 cases, 10 were filed in the first three months of 2015 over arson attacks on vehicles. The other case was filed with a Dhaka court on charge of making seditious comments about the freedom fighters and the martyrs of the Liberation War of 1971. Earlier on October 12, two other Dhaka courts cancelled Khaleda's bail and issued arrest warrants for her in connection with three cases including the Zia Orphanage and the Zia Charitable Trust graft cases. The third case was filed for undermining the country's map and the national flag. Three more arrest warrants were also issued for her in Dhaka and Comilla in connection with three more cases -- two for violence during hartals in February of 2015 and the other for her celebrating "false birthday" on August 15 each year.
