

# BIJORI

Bijori Barkatullah, a Bangladeshi actress and model, became famous when she appeared in the historical drama 'Kothao Keu Nei'. She won the heart of the audience with her terrific acting within a very short time. She has performed in other works such as 'Aynabaji' in 2016.

## SKIN CARE

Bijori is blessed with good skin so she doesn't need to take care of her skin too much. But since she has to do a lot of heavy makeup for shooting, she follows the cleansing, toning and moisturizing routine religiously. She used to use the Body Shop Tea Tree Collection before but currently she is using the Body Shop Vitamin E range. She also occasionally mixes up with honey, lemon and yoghurt to use as a face pack instead of getting a facial.

## HAIR CARE

When it comes to hair, Bijori doesn't do much to take care of it. She just makes sure to apply olive, castor and coconut oil to her hair regularly and also shampoo and condition it.

However, in order to prevent hair fall she occasionally takes vitamin E supplements.

## MAKE-UP

For her regular makeup, she decides based on the season. During summer, she usually goes with very light makeup. She first applies a primer and then Mac

Studio Fix Powder Plus Foundation. She applies a little bit of Kajol and some lipstick. Nonetheless, her methods of doing makeup are usually based on what type of clothes she is wearing. When she wears traditional clothes, she usually likes to apply a thick line of kajol with a tip and a bright lipstick. But when she wears Western she keeps her makeup light.

## REGULAR WEAR

She likes to stay stylish all the time, and decides what to wear based on the occasion. For a regular day out while running errands, she usually goes with salwar kameez. When she goes out with friends or relatives, she prefers to wear Western clothes.

## PARTY WEAR

For parties, Bijori usually prefers wearing sarees. She likes all kinds of sarees but usually likes to go with traditional sarees like katan and silk. She completes that look with some heavy accessories.
