NEELANJONA NEELA

Neelanjona Neela started her career in showbiz after she became the 2nd runner-up at the LUX Channel I Superstar 2014. She then went on to perform in many commercials and television dramas. However, her breakthrough role in the 7 Up TV commercial was what got her noticed by the critics and audiences alike. She also represents many brands like Banglalink, Close Up, Italiano Melamine (RFL).

SKIN CARE

Neela is a big fan of herbal products and thus likes using herbal products the most for taking care of her skin. She likes using ingredients like lemon, honey and flour to make face packs at home. As these are completely natural, there aren't any side effects to using these face packs. Although the benefits derived from them take time to show but in the long run they are much more beneficial than artificial products. For her daily skin care regime, Neela starts removing her makeup with the L'Oréal Paris Micellar Water. Once all the makeup is gone, she cleanses her skin further with a face wash and then uses the

Dior Gentle Toning Lotion. After that she applies a serum to help revitalize her skin at night.

HAIR CARE

Neela makes sure to clean her hair with L'Oréal Colour Protect Shampoo every day. She also tries to apply coconut, argan or olive oil every night or before she washes her hair to keep it soft and moisturized. She occasionally also applies hair treatment packs to keep her hair healthy.

MAKE-UP

Neela has very sensitive skin thus she only trusts a few brands when it comes to her makeup. For her everyday makeup look, she applies a little moisturizer,

applies the MAC Studio Fix Face Powder and then fills in her eyebrows and applies lipstick. Her favorite brand of lipstick is Revlon. When she goes to a party, she likes to use MAC Studio Fix Fluid Foundation to create a base first and apply a little face powder to set the foundation. She decides her eye make-up and lipstick color depending on her outfit. She usually prefers to keep her make-up light with a very heavy outfit and vice versa.

REGULAR WEAR

For her regular wear, she prefers comfort over style. She usually just wears a pair of palazzo with a crop top or t-shirt when

going out to run errands. She also likes wearing salwar kameez at more traditional places. She usually pairs them with very little accessories and slippers.

PARTY WEAR

For occasions like weddings and family gatherings, she usually wears a gorgeous saree or salwar kameez and accessorizes them with traditional jhumkas. However, when going to a party, she prefers to wear western outfits like jeans with a crop top or off shoulder tops. She likes to complete her look with a chunky necklace or bracelet.
