

FAMOUS BIRTHDAYS

Leonardo DiCaprio

Good ol' Leo needs no introduction. Famous world-wide as one of the most successful and renowned actors of all time, Leonardo DiCaprio is a sensational superstar who is much acclaimed for his immense talent in acting. Known for iconic roles in Titanic (1997), Catch Me If You Can (2002), Inception (2010), The Great Gatsby (2013), The Wolf of Wall Street (2013) and so many more, DiCaprio has captured the hearts of countless fans across the globe. After being eluded by the Oscar after four nominations, this California-born actor finally fulfilled the desire of all his fans by winning the Academy Award for the Best Performance by an Actor in a Leading Role for his performance in The Revenant (2015). Awards or not, DiCaprio will remain beloved by us all. Star Showbiz wishes everyone's favorite actor an amazing birthday!

WHO'S NEXT?

After all the allegations made against Harvey Weinstein, many other actors are sharing their own stories of sexual abuse by Hollywood big-shots. One after another, A-list actors such as Ben Affleck and Kevin Spacey are being called out for abuse. It's a very scary time for Hollywood where everyone is constantly worried about who is going to be the next to-get accused. Some people are even saying that Hollywood has changed forever. People are no longer going to any actor, director or producers' hotel suite. All meetings are being done with the presence of a third party to ensure safety for both the parties. Even though it looks very glum, it is actually a positive change where people are speaking out against abuse and demanding justice for it. Hopefully, this will bring out a new era where equality will prevail.

DEEPIKA'S Grand Party!

One of the most anticipated films of this year Padmavati recently released their trailer and it took the country by storm. Ghoomar, the song featuring Deepika, was also greatly appreciated by the audience. And apparently, it was a reason big enough for Deepika to celebrate! She posted a grand party at her Worli residence and it had everyone from Shahrukh to Sidharth Malhotra in attendance. Everyone looked their utmost stylish, especially upcoming actresses Sara Ali Khan and Jhanvi Kapoor. Others that attended the party were Kriti Sanon, Atthiya Shetty, Armaan Jain and Ranveer Singh. Deepika sure loves celebrations!
