## Court again seeks probe report on Gulshan attack

COURT CORRESPONDENT

A Dhaka court yesterday again asked the Counter Terrorism and Transnational Crime (CTTC) unit of Dhaka Metropolitan Police to submit by December 28 the probe report of the case filed over the Holey Artisan Bakery attack in Gulshan.

Metropolitan Magistrate Nurunnahar Yeasin passed the order after Humayun Kabir, a CTTC inspector and the case's investigation officer, failed to submit it yesterday. With this, the CTTC got 13 time extensions for filing the report.

Earlier, the CTTC unit arrested five people including four suspected militants and a former private university teacher. Of them, four "militants" gave confessional statements before magistrates.

The arrestees are Hasnat Karim, an ex-teacher of

## Rana Plaza owner denied bail in graft case

STAFF CORRESPONDENT

The High Court yesterday rejected the bail petition of Sohel Rana, owner of Rana Plaza, in a corruption case.

In the case, a lower court in August has sentenced Rana to three years' imprisonment for not submitting his wealth statement to the Anti-Corruption Commission (ACC) and fined him Tk 50,000.

Yesterday, his plea was rejected by the HC.

The HC, however, accepted Rana's appeal against the lower court verdict for hearing, stayed the lower court fine order and called for the case record from the trial court.

Rana was arrested after Rana Plaza collapsed on April 24, 2013 that left 1,136 people killed and about 2,515 others injured.

On May 2, 2015, the ACC filed the case.

loss of not less than Tk 2 crore.

Speaking with this correspondent over phone before, Shafiu had bragged about how he paid Tk 3.10 lakh to manipulate the tender process. "I made other higher offering bidders understand that they are going to lose money making offers so high."

On November 1, when this correspondent asked Shafiu about allegations over his wrongful acts of plundering live trees owned by the state, he confidently said, "Do your best to write about what you saw."

Coming from an affluent family and its members known as BNP loyalists, Shafiu, an ICMA student with a Masters in management, joined Awami League in 2012 after a dispute arose with local AL leaders over his construction project at the Rajbarihi farm. His family members had contributed a large chunk of land to the farm, said locals.

Allegations from the locals of illegal tree felling at the farm by Shafiu began to appear in June. On July 31, a concerned citizen in a complaint filed with Godagari upazila nirbahi officer alleged that the state had lost Tk 50 lakh as Shafiu had already chopped down over 500 trees illegally since May.

The Daily Star on August 8 ran a report on Shafiu's illegal tree felling with the headline "Dead trees on auction: live trees plundered".

Despite all the allegations, the DLS is yet to carry out a proper investigation into the matter.

Instead of looking into the allegations, the DLS allowed Shafiu to plunder state property for nearly six months. Finally, on October 31, the DLS completed its duty by suspending his dead tree removal work as an inspection team of the department found Shafiu's men still chopping down live trees at the farm.

Aynul Haque, director general of DLS, confirmed the suspension order based on the findings by its inspection team.

However, in a perplexing move, the DLS early this month has transferred seven of the farm employees, especially the ones who had been complaining to higher officials of the department about Shafiu's illegal tree felling with the connivance of the farm manager, Tofizul Islam.

The employees, including the ones who were transferred, of the Rajbarihi Dairy and Cattle Development Farm told The Daily Star that the farm does not have any precedent for employee transfers since its inception in 1982 and the ones transferred -- to

Sylhet, Savar, Faridpur and Bagerhat -- had joined the farm between 1984 and 1997.

Farm manager Tofizul, however, claimed that the DLS authorities have been transferring its employees who had been working at the same farm, in different parts of the country, for a long period of time.

The only inquiry that has supposedly been conducted on Shafiu's illegal tree felling at the Rajbarihi farm was by Upazila Forest Officer Shariful Islam. Acting on a complaint, Godagari Upazila Nirbahi Officer Zahid Newaj on August 3 had asked him to conduct the inquiry.

For mysterious reasons, that inquiry report has not seen the light of day although the forest officer said he had completed the inquiry in September.

When asked why he did not turn the report in, Shariful said that from the investigation order he could not get a clear understanding whether he was supposed to file any report or not.

About his findings during the inquiry, he said he collected documented proof of tender manipulation by Shafiu. According to his papers, the farm authorities awarded the dead tree removal work to Shafiu for only Tk 8.52 lakh, although two

## EC not ready for EVM use

Says CEC Nurul Huda; no decision on army deployment yet

STAFF CORRESPONDENT

Chief Election Commissioner KM Nurul Huda yesterday said the commission was not ready to use electronic voting machines (EVMs) in the upcoming parliamentary elections.

"The commission has no preparation to use EVMs in the national election. It will be used in different local government elections on an experimental basis," he told reporters at Nirbahan Bhawan in Dhaka.

Regarding army deployment during the polls, Huda said they were yet to take a decision in this regard.

"This is the reality that the army was there in other national polls... There is still enough time. Why do you want this decision so soon?"

About Election Commissioner Mahbub Talukdar's remarks that the EC felt the necessity of army deployment, Huda said it was his personal opinion, not the commission's decision.
