

As fresh as a snowdrop in  
Winter; she resembles all  
that is beautiful in the  
world,  
With a heart pure in  
boundless love, she awaits.  
Her prince charming is sure  
to come; offering pansies  
and violets in anticipation.  
She awaits; with blushed  
cheeks and a cheerful glow,  
Welcoming the unsullied  
bloom in the snow.
