

SchoolSmart Minute Challenge

A children's reality game show everyone can enjoy

A CORRESPONDENT

How hard can stacking erasers be on a scale that's in your mouth? Quite hard, as we found out during the first week of SchoolSmart Minute Challenge, an initiative of Apex Footwear Limited where school students in classes 3 to 7 compete against each other in a reality game show designed to curb children's technology addiction. Shaheed Anwar Girls took on London Grace in week one.

The competition was intense, the girls won the first three rounds easily. So London Grace HAD to win the next two rounds to even the score. Surprisingly in the tie-breaker, London Grace came back hard and won the game!

In the second week, Cherry Blossoms defeated Cardiff International. Cherry Blossoms started well but Cardiff kept up. The captains stepped up and pushed the game to the 5th round. In this intense face off, Cardiff dug deep to pull out another win.

The challenges and the sportsmanship between the kids kept us engaged. The hosts, Salman Muktadir and Safa Kabir were very entertaining. Tune into SA TV every Friday at 10:30 am and every Saturday at 9:30 am to catch the episodes.

The title sponsor of the show is Apex, powered by ICY water bottle, in association with Pasta Chips and co-sponsored by Center Jel chewing gum.
